

FUND OVERVIEW

The **Golden State Acquisition Fund (GSAF)** will leverage \$23 million in funds from the State of California with approximately \$69 million in private capital to create a \$93 million revolving pool of funds that will provide low-cost acquisition financing to support the creation and preservation of affordable housing throughout the State of California.

The \$23 million in seed funding from the California Department of Housing and Community Development's Affordable Housing Innovation Fund (funded by Prop 1C) will serve as 25% top loss for affordable housing acquisition loans.

GSAF is managed by a consortium of four CDFIs: Low Income Investment Fund (LIIF), which also serves as Fund Administrative Agent, Century Housing Corporation (CHC), Enterprise Community Loan Fund (ECLF), and the Rural Community Assistance Corporation (RCAC).
